

PRESS RELEASE – INTENDED FOR IMMEDIATE RELEASE

Your Event Solutions (YES) continues to grow client base

February 22, 2010 -- Houston, Texas -- Your Event Solutions (YES) is on site at Heli-Expo in support of several clients exhibiting at the Helicopter Association International Heli-Expo 2010. YES is providing logistical support, media and communication services, exhibit coordination and assembly, as well as on site event services for the duration of the event. YES will coordinate press events on Monday, February 22 for Metro Aviation at 1:30pm and Becker Avionics at 4:00pm during the Heli-Expo, on their respective booths.

YES will also debut new trade show exhibits for two clients this year at the Heli-Expo. Design consultation for the new displays was provided by YES owner and president, Ms. Kelley Parlier for clients, Vertical Magazine (Booth #4141) and Becker Avionics (Booth #3829). Other customers being supported by YES at the Heli-Expo this year include air medical transportation and helicopter completions provider, Metro Aviation, night vision equipment and services company, REBTECH, Night Vision Concepts and Twirly Birds, a longtime helicopter pilot organization.

Your Event Solutions Inc., (YES) is a full service professional event planning and media communications company and was formed by Kelley Parlier in 2006 to provide specialized and custom tailored services. YES provides comprehensive and highly specialized trade show management, organization, communication, media and graphics design as well several other marketing and project management. **YES** is dedicated to providing seamless solutions to our clients' needs and stated objectives.
